TERMS & CONDITIONS

Placing an Order

Please confirm that you have gathered all required information prior to placing your order. Specify all items by their product number, along with the quantity, finish color, tagging information and all other specifications necessary to fully define your order. If your project has a Halcon Quote Number, it must be referenced on your purchase order to ensure timely order processing. Purchase orders should be submitted electronically to halcon@halconfurniture.com.

Prices and Terms

All prices are list, freight prepaid, FOB Grand Rapids, Michigan. HALCON pricing includes packing for North American shipment. Prices do not include crating, storage, shipping, delivery, installation or taxes. Payment terms based on credit approval and project scope. HALCON reserves the right to make changes to price without prior notice.

HALCON will apply a 1 1/2% late charge per month (18% APR) on past due balances. In the event suit is necessary to enforce collection, Purchaser agrees to pay a reasonable attorney fee and any court costs incurred. All taxes or other charges will be added to the price and itemized or invoiced separately. Purchaser shall pay any tax (including sales tax), duty, custom, inspection fee or any other fee or charge imposed on, in connection with or measured by the transaction between Seller and Purchaser in addition to the prices quoted or invoiced.

Order Acknowledgment

All orders and subsequent change orders must be in writing. HALCON will issue a written acknowledgment; customers should verify the acknowledgment for accuracy. The acknowledgment is the final agreement between HALCON and the customer. The price list identifies the information that must be noted on the purchase order. Any omission may result in the delay of processing your order. All Quotations, Acknowledgments, and Invoices are subject to corrections for errors or omissions.

Changes and Cancellations

Requests for changes or cancellations of acknowledged orders must be made in writing and will only be approved by mutual agreement. A minimum 25% change/cancellation charge will apply.

Freight Term

All merchandise is shipped FOB Grand Rapids, Michigan. All shipments are made according to the purchaser's instructions, or what in HALCON's judgement is the best way if instructions are not received, and at the purchaser's risk. All orders are acknowledged with an approximate shipping date. Shipping charges are prepaid (within the continental United States).

Claim

HALCON is not responsible for damage to merchandise which occurs in transit or storage. It is the customer's responsibility to examine furniture upon receipt and note any damage in transit on the carrier's delivery receipt. The carrier should be notified by the buyer to inspect the merchandise, and file a claim immediately. If visible damage is not apparent, sign the delivery receipt 'NO VISIBLE DAMAGE'. This will allow recourse for a concealed damage claim.

Delivery

All orders are acknowledged with an approximate shipping date. HALCON's liability ends when the carrier issues a receipt to HALCON, which is an acknowledgment by transportation company that the shipment has been received by the freight company in good condition.

Visible Damage

All visible damage or any shortages must be noted on the carrier receipt and signed by the delivering driver. Do not sign the receipt until the visual inspection is complete at the time of delivery.

Concealed Damage

All cartons must be opened and inspected prior to signing the bill of lading. Damage which is not apparent until merchandise is unpacked, will only be recognized if HALCON is contacted within 72 hours of receipt of goods. Any claims against HALCON for defects, errors or shortages must be made by the customer in writing within 72 hours of the delivery date. Failure of the customer to make any claim against HALCON within the 72 hour period shall constitute acceptance of the merchandise and a waiver of defects, errors or shortages. Damaged freight cannot be refused by the consignee (buyer).

Request an Immediate Inspection

Keep all packing materials pending inspection
Do not move merchandise from the receiving area

Repair Authorization

Prior written approval is required for repairs of merchandise charged to HALCON. Failure to do so will result in customer funded repairs.

Storage

If shipment of completed merchandise is postponed by the customer, HALCON reserves the right to transfer the merchandise to storage, all at the customer's risk and expense. Such transfer to storage shall be deemed delivery to the customer for all purposes, including invoicing.

Warranty**10-YEAR SEATING WARRANTY**

HALCON seating is warranted to be free from defects in all parts and workmanship for a period of ten (10) years from the date of delivery, provided the product is used in the normal manner and under the conditions for which the product was designed. This warranty applies only to the original purchaser (buyer), and the original purchaser must notify HALCON in writing of the claimed defect within thirty (30) days after first discovery of the defect. This warranty applies to mechanisms, foam, casters, bases and glides. This warranty is also subject to the following limitations involving materials and components: Gas Cylinders—A period of five (5) years from the original date of delivery, Casters—A period of five (5) years from the original date of delivery, Standard Leather Upholstery—Seating upholstered in standard HALCON leather is warranted for a period of three (3) years from the original date of delivery. This warranty does not cover changes or variations that occur as a natural result of the leather's inherent characteristics or aging. Such non-warranted conditions include, but are not limited to, natural variations in color, markings, scars, texture, grain, and pattern, as well as changes due to dye-lot differences or exposure to light over time, Upholstered Leather Wrapped Arm Caps—Arm caps specified in Standard HALCON Leather have a warranty period of one (1) year from date of delivery. There is no warranty for arm caps specified in graded-in leather or customers own leather. HALCON does not offer any warranty on any graded-in fabrics, graded-in leathers, or Customer's Own Materials (COM). See the [HALCON Seating Warranty](#) for full details.

Miscellaneous

All products shown in the HALCON catalog are, and remain, the property of HALCON, and HALCON reserves the exclusive right to manufacture the models shown. All dimensions and weights shown are to be considered approximate. HALCON reserves the right to make changes in dimensions, design and/or construction without prior notice.

PRODUCT INFORMATION

About FERRA

FERRA is an executive conference chair that merges timeless design with precision craftsmanship. Designed to deliver refined beauty and elevated comfort to the modern meeting space.

Design

Mario Ferrarini

Seat Adjustment

Pneumatic height adjustment allows the user to adjust the seat height by way of a control lever. FERRA's overall height ranges from 38.8 - 43".

Back Adjustment

Upright back lock allows the user to lock the backrest in a full upright position or release it for full recline.

Mechanism

FERRA's center tilt mechanism pivots from a fixed point, ensuring balanced movement as you recline. Each degree of tilt moves the back and seat proportionally, delivering up to 15° of smooth, controlled motion—perfect for meetings. This dynamic design promotes circulation and alleviates pressure points for comfort.

Weight Capacity

FERRA has been fully tested to handle weight up to 300 pounds and is backed by HALCON's 10 year Seating Warranty.

Arm & Base Material

FERRA's fixed, signature ribbon arm and five-star base are cast aluminum.

Casters

FERRA's hubless casters have hard, dual-wheels that roll smoothly on carpets. They are 2-1/2" for increased mobility. Soft, dual-wheel, roll-control casters are available as an option for use on hard floors or mats.

Hard hubless casters must be used on carpeted surfaces only. If hard casters are used on hard surfaces, including floor mats, it will affect chair stability.

Use

Designed for indoor use only.

Special Finishes

Special finishes are available. Please submit the request for the specific finish color to your local HALCON representative or Project Manager. Please note that approval for a special finish could take up to three weeks.

Custom Orders

Custom chair options requiring new specifications must be submitted to your local HALCON representative or Project Manager for review and approval. All customizations must meet HALCON's manufacturing and safety standards.

level™ 3 Certification

HALCON's FERRA chair with leather upholstery has received level™ 3 certification, the highest level of achievement possible in the Business and Institutional Furniture Manufacturer's Association (BIFMA) e3 certification program.

The e3 standard represents BIFMA's first multi-attribute sustainability standard specifically for furniture. Manufacturers can only achieve level certification from a participating third party, such as Scientific Certification Systems (SCS), that meets rigorous criteria and assesses products against the specified BIFMA standard.

Highlights of the FERRA level™ 3 certification include a complete lifecycle assessment evaluating the chair's lifelong impact on the environment, efficient use of materials throughout the supply chain and detailed materials chemistry information for the chair's components. The FERRA chair is independently level certified by SCS.

Additional Certifications:

ANSI/BIFMA X5.1 General Purpose Office Chairs
Intertek's Indoor Advantage Gold Certification (for indoor air quality)

Flammability Standard

All HALCON conference seating products comply with California Technical Bulletin 117-2013 (CAL TB 117), the flammability standard for upholstery materials and internal components. Each product is tested and labeled to meet this requirement.

Upholstery

Standard, Graded-In and Customer's Own Material (COM) program details can be found in the HALCON Seating Upholstery Program Guide.

All textiles and leathers must be approved for the product you are specifying. A complete list of approved materials for FERRA can be found [here](#).

Yardage requirements shown in the price list are based on using non-directional materials of 54" wide. Fabrics of narrower width and/or involve matching repeats (e.g., stripes, prints, or large patterned designs) will require additional yardage.

Customer's Own Material

HALCON offers a Customer's Own Material (COM) option, giving you flexibility to personalize designs with your selected fabrics or leathers. COM includes the application of the customer's fabric or leather at the price listed for each product. Yardage requirements for COMs are also based on using non-directional materials of 54" wide. Under most circumstances, 15% of additional material is required when a COM is less than 54" wide. A HALCON project manager will review and provide prior approval and details on all COM materials. HALCON reserves the right to adjust pricing when special circumstances arise, such as complex pattern repeats or challenging materials.

All COMs require prior approval by HALCON before they will be accepted for production. If a COM has not been approved, please submit the proposed textile or leather using HALCON's [COM Test Request Form](#).

To see approved COM selections, visit the [Textiles Approvals](#) page.
